Background

Fifty five (55) Civil Society Organizations (CSOs) met in Makeni for three days to chart the way forward for the implementation and roll-out of the non-State Actors non-violent election project.

The three day project inception review was to consolidate the unity of civil society in Sierra Leone; briefing of the wider group on the progress made so far, set the ground for professionalization of CSOs, develop common standards and operational framework, decisive action on who does what and where, refine structures and mechanisms and chart the way forward for sustained engagement.

The three day retreat was divided into sessions with the Steering Committee meeting on the first day and the general membership of the CSO Platform on Non violent 2012 elections meeting on the last two days.

The retreat was facilitated by members of the Steering Committee with support from UNIPSIL.

Day One – Steering Committee session

Eleven members of the CSO Steering Committee met at the Staff room of the University. The meeting was attended by UNDP CSO Adviser, UNIPSIL Regional Political Affairs Officer, NSA Programme Manager and UNIPSIL CSO Focal Point.

The meeting was chaired by the Falla Ensah-N’Dayma. He welcomes participants and gave a brief overview of the meeting. The chairman gave an update on the progress highlighting the steps taken so far to arrive at the final product.

The Implementing Partner (IP) was officially introduced by the Interim Chairman of the Platform.

The Executive Director of Action Aid Sierra Leone expressed thanks and appreciation to the platform for the opportunity given to his organization and stated his commitment to deliver.

The participants agreed on the following as criteria for Sub Grantees. Any organization can apply to the IP as Sub Grantee but should meet the criteria:

Programme

Overall Objective
Contribute to increased preparedness of CSOs for the implementation of the NSA project on nonviolence elections.

Specific Objectives
To institutionalise roll-out arrangements to implement the project efficiently (co-ordination, management, roles, responsibilities and selection of sub grantees)
To review the project design in details and resolve any outstanding issues
To confirm the expected project outputs, outcomes, intended beneficiaries, reporting templates and timelines
To agree on timelines, results framework and M&E tools for the project.

Project Activity Sheet, budget and disbursement schedule

The project activity sheet was presented to the participants. For some participants it was the first time to see the final product.

The participants were very clear that the whole project comprises of three main activities. These are: Constituency community dialogue sessions; documentary in Krio, Mende, Temne and Limba on non-violent messages; and Special Threats to Elections for ex-soldiers.

Participants were also clear that the project budget and funding arrangement is divided into two with one component as part of the Micro Capital Grant (MCG) agreement with Action Aid Sierra Leone and Direct Funding. The Direct funding covers a budget of $6,880. This amount will cover specific line items in the budget and will be disbursed as requested through the CSO Focal Point.

Participants were also informed that in terms of the MCG, two MCGs will be signed for the entire period of the project; payments will be made to Action Aid on two tranches with one in each MCG. The current MCG will expire on the 1st July 2012.

Participants raised concern in terms of the $300,000 sealing for CSOs and funding arrangement of given the amount in tranches. They requested for the full amount to be given in one tranche.

They also raised concern on the arrangement of activities in terms of which activities should be covered during the first two quarters.

CSO Platform website

UNIPSIL Webmaster presented the draft template of the website. The purpose was to review and validate the progress of the work on the website.

They agreed on the following:

The colour of the website is green, white and blue representing the national flag. The Logo of the platform is a “Dove carrying/ holding the map”. Each cluster should send a one pager highlight the niche of that cluster on/or before the 1st March 2012.

The domain name is “csoplatformsl.org”.

Each cluster should have email account eg. for Vulnerability and exclusion cluster–ve@csoplatformsl.org

Agencies with websites provided their addresses for link to the various websites.

The space should be purchased on line early March 2012.

CSO Platform Strategic Plan

The Platform hired the services of a Consultant to develop a three year strategic plan. The Consultant presented a draft guide “beginning” step towards a strategic plan.

The presentation covers a thematic Approach to Election Conflict and Selected Responses comprising conflict analysis, prevention, management and mitigation, and resolution.

The presentation also covers strategies beyond elections.

The strategy will entail vision, value, mission, overall goal, immediate objective, key result areas, strategic directions, and action plan.
Monitoring by the IP

The participants were informed that the IP serves as a pass through in the roll out of the project; maintain fiduciary and programmatic responsibility with close liaison with the SC; to monitor all activities listed in this activity sheet; IP will report on progress against the result of each activity; and IP will ensure that accurate and detailed narrative and financial progress reports on implementation. The IP Focal point, Christian Lawrence informed participants of a collaborative working relationship for effective delivery.
